"THA is without a doubt the best outfitter I have ever encountered. I have hunted all over the world and THA is the only outfitter that I continually return to. In my 9 consecutive hunts with THA, I have have harvested 11 P&Y animals."

"My partner harvested a 4x5 162 2/8 class archery muley and I harvested my 181 1/8 mule deer all in 3 days of our 6 day hunt. Everything was excellent and we could not hope for a better bow hunt. We saw many serious 160+ mule deer bucks."
